

CIS 350 – Weekly Meeting Minutes Template

Hold a team meeting at least once a week in some format. Copy the template below into a new document, naming it **CIS350-YYYY-MM-DD** (replacing the appropriate date fields). Commit it to “*meetings*” folder of your project on GitHub. There should be a unique document for each meeting held.

Project name: Catan

Members present: Sam Rios, Owen Westerkamp, Owen Hillary

Date: 03/31/2025

Time: 5:00 pm

Discussion points:

- Sam has worked on making menus, to make it more user friendly.
- Owen W has been working and finishing the Player class
- Owen H has been working on the buildables class and making it UI friendly
-

Goals for next week (include responsibilities):

- Sam will work on building menus and making pop ups for invalid amounts
- Owen W will figure out how to cycle through the players adding Card_Bank to Player class
- Owen H will be working on an algorithm for the longest road & working on road and structure placement.
-
